Every month you will be receiving a monthly newsletter, calendar and snack schedule. I hope the monthly communication will keep you informed of classroom happenings. Safe Environment Training

Safe Environment Training (formerly PGC) is required by the Springfield Diocese for all school volunteers. If you are in need of the paperwork to register for the online class please let us know and we will send the paperwork to you. This is required if you would like to drive on field trip or volunteer in the classroom.

Color Days

Once a month we will be having color days. These days will coincide with the color we are focusing on for that month. This is a fun way to reinforce the different colors we will be learning about. We ask that your child wear clothing of that color and bring in a picture of an object that is that color. If you do not own clothing in that color please do not feel like you have to go out and buy something special. The picture can be cut out of a magazine, printed off the computer or colored by your child. Anything will do. We will hang these pictures on our color bulletin board for the remainder of the month. Please know that everyone forgets things so if you happen to forget, it is not a big deal. There are times that even I forget and we make do. Our first color day will be the color red on Thursday, September 21.

Check Us Out

Be sure to visit our website at www.stanthony.com. Click on "St. Anthony Grade School" then choose "Parents" tab in the top right hand corner. You will find us by clicking on the "Classroom Pages" link then "Preschool". Each month we will have a link to our newsletters as well as a calendar for you to double check important dates.

Reminders

Please be sure to check your child's backpack after each class. We are always sending papers and notes home and want you to be informed of all the classroom happenings. Also, please remember that drop off begins at 7:50 a.m. Please be sure to wait for the teacher to pick your child up from the car. Please be prompt for the 10:50-11:05 a.m. pick up time.

Snack

We have 15 students in the three year old class. On your assigned snack day please send enough snack and drink for the whole class. Homemade or prepackaged snacks are fine to send. Our preference, if sending juice, would be for it to be in a bottle instead of juice boxes.

Napkins and cups will be provided by the school.
