

April

A big Spring welcome to all of our students and families! Hopefully some warmer temperatures are upon us. We hope you all have enjoyed the month of March with Easter Celebrations, playing outside, spring blooms and longer days. In April, we will continue writing first names. We will be fine tuning our cutting and coloring skills. We will practice identifying numbers and counting groups throughout the month as well. We are working on building good listening skills and developing independence. Our theme for the month will be Spring. Please continue to reinforce name writing and number recognition at home. Counting and cutting are also good skills to practice in your free time. I hope all of you and your children get an opportunity to enjoy the Spring weather together. Please note that our last day of Preschool will be on Tuesday, May 7th.
