

OCTOBER

Our first month of school has gone by so quickly. The children are doing a fantastic job of learning the daily routine of preschool. We are busy from the time we arrive until the time we go home and say our good byes. October brings a lot of fun and learning here in preschool. We will be talking about fall changes, creating fun Halloween projects and working on basic skills we will build on the rest of the year. We will also be having a Halloween party here at school. October will be a very busy month for our preschool boys and girls. I am so proud of how well all the boys and girls are doing. We hope you are hearing about our fun filled learning days from your children. Keep practicing name writing and letter of the week recognition at home to support our in classroom work. Thank you for all you do.

Halloween Party /Halloween Parade

We will be celebrating Halloween on Wednesday, October 30th. The children will get to wear their school appropriate costumes to school that day. Please NO WEAPONS or masks. We will parade through the school to share our costumes with the other grades. We will also have a few fun games for the children as well as a special Halloween treat!

We would love for families to join us for a Halloween parade on Wednesday, October 30th at 10:20 a.m. We will be parading through the "big kid's" classrooms here at school and then finish our parade in front of our families in either the gym or outside on the playground (depending on the weather that day). We will end our morning with a few songs for you and then your child will be free to leave with you from the parade. Please check out with me before taking your child that day.

We hope you can all make plans to attend our Halloween parade.

Field Trip

We will be taking a field trip to Ballard Nature Center on Wednesday, October 23, 2024

Please fill out the attached field trip permission slip. We will leave the school at 8:15 a.m. Field trip drivers need to be at school at 8:05 a.m. Please watch the weather and dress your child accordingly. We ask that all students wear tennis shoes or appropriate hiking shoes as we will be walking the trails during our visit.

If you are driving please bring your drivers license and insurance card to the office and have it copied. Be sure to bring the copy to the classroom to give to me.

ALL CHILDREN MUST BE THEIR CAR SEAT.

Please be sure that you have a car seat for your child when dropping them off in the morning if you are not a field trip driver. Please mark it clearly with their name so we do not mix up seats. If your child does not have a car seat they will be sent back home. A permission slip is included with this newsletter.

A few reminders:

- Please dress for the weather that day and wear proper shoes for walking the trails.
- Sign and return permission slip by Wednesday, October 2
- Only children enrolled in the designated program are allowed to go on the field trip
- Label your child's car seat with their name on the back or side with masking tape!

If you would like to help your child work on their pencil grasp please refer to the diagram . A tip to try is to have the children hold a cotton ball in the three folded fingers. Giving them something to hold helps encourage the correct “tripod grasp”

(we call it the alligator hold at school also).

How to Hold a Pencil

1. Put your thumb and forefinger just above the cone shaped part of the pencil.
2. Let the pencil rest between your thumb and forefinger.
3. Then put your middle finger underneath for support.

Alphabet and Name Practice

Please encourage alphabet recognition practice at home. A great way to do this is by playing games. At times I will send games home for you to play with your child that we also play here at school. Another fun one is to get an Alphabet Memory Match game and play it with your child. Start out with 5 letters and build on from that!

When your child is writing their name at home please encourage proper pencil grasp. The first letter of their name is only in an uppercase, the rest of their name must be in lower case formation. Thank you for all your support at home!

Jackets

As the fall weather approaches please be sure to check the morning temperatures and dress your child accordingly. It can get cool waiting outside of the building in the mornings and at recess.
