

# April

3yr.

With the end of March comes the anticipation of many things. We anticipate playing outside, longer days and summer fun. While we are looking forward, we will also be working very hard to fine tune our skills here at school. We will continue writing first names. We will continue sharpening our cutting and coloring skills, also. Practice with identifying numbers and counting groups will continue throughout the month. We are working on building good listening skills and developing independence. Our theme for this month will be Lent and Easter. We will learning about Lent and preparing for Easter. I hope all of you and your children have an opportunity to enjoy the nice weather that I am sure will eventually be here to stay.

Things to work on:  
Writing First Name  
Cutting Skills  
Identifying Numbers  
Counting Objects

## What we are learning:

Number: Review

Color: Yellow

Shape: Diamond

Theme: Spring

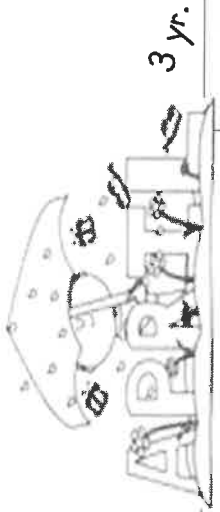

## Dress for the Weather

As temperatures begin to rise in April we will try to visit the playground when time allows. Please be sure that your child wears a coat to school. Even on days when warmer temperatures are projected it can still be cool in the shadow of the school building.

## Looking Ahead

The last day of preschool is scheduled for Tuesday, May 6th. We will have a Fun day here at school.
