

May 3's

It is hard to believe that the end of school is upon us. It seems like the first day of school was just yesterday. Seeing the children grow over the past 8 months has been a true joy. They have all been such a hard working group of little ones. Soaking in all that they were taught and teaching us along the way. I hope that you all have had a great preschool experience this year. Each and every child has grown a special place in our hearts.

We will be celebrating the last day of school on Tuesday, May 6h with a "Day of Fun" at preschool. Each child will be receiving a scrapbook of the school year along with an assessment card on the last day. I hope that everyone has a wonderful summer and I am looking forward to seeing you in the four year old class.

We would like to thank all of the room parents for all of your help this year. Without all of you, our Christmas and Easter wouldn't have been nearly as special. Also, thanks to all of the moms and dads who gave of their time to drive and chaperone field trips. The students loved being able to go and explore the world around them and without your help that wouldn't have been possible.
