

May 4 yr.

It is hard to believe that the end of school is upon us. It seems like the first day of school was just yesterday. Seeing the children grow over the past 8 months has been a true joy. They have all been such a hard working group of little ones. Soaking in all that they were taught and teaching us along the way. I hope that you all have had a great preschool experience this year. Each and every child has grown a special place in our hearts.

We will be celebrating the last day of school on Wednesday, May 7th with a graduation program beginning at 10:00 a.m. in the grade school gymnasium. We will serve refreshments following the program. Look for additional reminders. Each child will be receiving a scrapbook of the school year along with an assessment card on the last day. I hope that everyone has a wonderful summer and I am looking forward to seeing the students in the hallway next

End of the Year

Please note that the graduation program will be the final attendance day for the school year. We hope you have a wonderful summer and we look forward to seeing the kids grow as they walk the halls of St. Anthony.

Thank You

We would like to thank all of the room parents for all of your help this year. Without all of you Christmas and Easter wouldn't have been nearly as special. Also, thanks to all of the moms, dads and grandmas who gave of their time to drive and chaperone field trips. The students loved being able to go and explore the world around them and without your help that wouldn't have been possible.
