

# May

It is hard to believe that the end of school is upon us. It seems like the first day of school was just yesterday. Seeing the children grow over these past months has been a true joy. They have all worked so hard over this past year. We are very proud of each and everyone of them. Every single student has a very special place in our hearts.

We will be celebrating the last day of preschool on Tuesday, May 6th with a "Day of Fun". Each child will be receiving a scrapbook of the school year along with an assessment card on the last day.

I hope that everyone has a wonderful summer!

## Thank You

We would like to thank you  
for your support.

We are so very thankful for  
our amazing school

## Things to work on:

Writing First Names  
Cutting Skills  
Coloring Skills  
Counting Objects  
Identifying Numbers  
Identifying Letters  
Counting

Please practice writing first names, numbers, and letters over the summer months!

Here are a few ways to make it fun while keeping those skills fresh!

- Write names with sidewalk chalk
- Fill up water balloons write numbers or letters on them, have your child say the name of the number or letter before tossing
- Use a stick to write numbers, name, and letters in the sand at a beach
- Hide alphabet letters or objects in a bucket of Orbeez, sand, shaving cream or slime for some sensory outdoor fun. You can ask child to find the letter you name or count the items they found.

Most importantly have fun and keep on learning!
