It is hard to believe that the end of school is here! Time sure does fly when you are having fun. We had so much fun seeing your children grow over the past school year together. It has been an absolute joy to work with your amazing kiddos this year. I hope that you all have had a great preschool experience. Each child has a very special place in our hearts.

We will be celebrating the last day of school on Wednesday, May 7th with an End of the Year Program beginning at 10:00 a.m. in the grade school gymnasium. We will serve refreshments following the program.

Please walk your child to the classroom that day at 9:45 am. Each child will be receiving a memory book along with an assessment card at the program and this will also be our last day of preschool.

We hope that everyone has a wonderful summer!

- Write names and letters with sidewalk chalk
