Once again we are at the start of another amazing month. It is hard to believe that the month of October is coming to an end. In November we will be getting ready for

Thanksgiving with a lot of fun activities. Thanksgiving will be celebrated here at school with our classmates and some special Thanksgiving activities. We will be focusing on the theme of Thanksgiving and what it means to be thankful. We will also talk about all of the blessings that Jesus has given us. We will keep on working on identifying our names. Please work with your child on naming the letters in his or her name. We introduced cutting skills in October so we will continue focusing on this also. Give your children the opportunity to fine tune this new skill. A good way to practice this is to allow them to cut small strips of paper or straws into pieces or use playdough scissors and playdough to practice these important skills at home.

We hope that all of you have a very Happy Thanksgiving.

This Month We Will Learn:

Numbers: 4 (four), 5 (five).
