

December

3 yr.

I hope everyone has a very Happy Thanksgiving. I hope you all will have a chance to spend time with loved ones and give thanks for all that God has blessed you with. November is coming to a close, and we look forward to all of the fun that December brings. The anticipation for Christmas is already growing. We will be celebrating the season of Advent by discussing the Advent wreath and the Nativity story. We will also be preparing for our annual Christmas program here at Pups' Patch. Everyone is invited to the program titled "The First Christmas". Please note that the three and four-year-olds will be working together to present our program. Be sure to look for additional information in the newsletter, including specifics on the program's time and location. Our last day of regular class before dismissing for Christmas Break is Tuesday, December 9, followed by the program on Thursday, December 11. School will resume on Tuesday, January 6. We would like to wish all of you a very Merry Christmas and a Blessed New Year.

Weather Alert

With winter fast approaching, I would like to remind you that if the weather is bad, you will be receiving a call from our emergency notification system letting you know of any cancellations. If school is canceled and you do not receive a call, please let me know so we can fix any problems. School cancellations will also be announced on local radio stations.

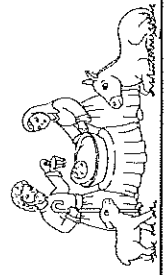

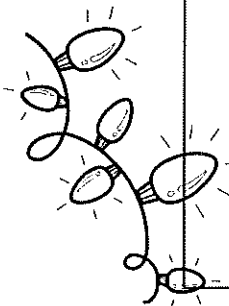

Christmas Show & Tell

Thursday, January 8, is Christmas Show and Tell. Your child is invited to bring 1 (one) item they received for Christmas to show our school friends. Please be sure they bring only one item! These items will be returned the same day.

Christmas Program

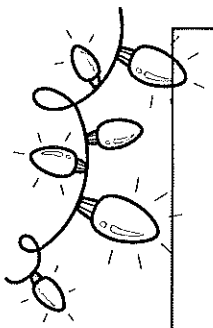

Our Christmas program is scheduled for Thursday, December 11, at 10:00 a.m. Please bring your child to school at 9:45 a.m. The three-year-old class will act as our chorus. All parents are asked to walk their child in and have them use the restroom. Then bring them to the preschool classroom. Parents are then welcome to go and find a seat for the program. The program will promptly begin at 10:00 a.m. It is very important to us that the program begin on time, so please have your children at the school and ready to go at the designated time.
