

February

3 yr.

The month of January seems to have passed in the blink of an eye. It is hard to believe we are already turning the calendar pages to February. Hoping beautiful days will be in our future as we look forward to February. We will be celebrating Valentine's Day in February. We will be discussing love for one another as well as God's love for each of us. Learning to write our first names will be a big part of our time together. The children are doing a great job identifying their names. Take a few extra minutes a day and talk to your child about what letters are in his/her name. If you are practicing writing names at home, please remind your child to use lowercase letters except at the beginning. Registration for the 2026-2027 school year will begin on February 2. Please check the included registration calendar to see how registration will progress. Be sure to save your spot by returning your registration form and fee as soon as possible, as classes fill up quickly.

Valentines
DAY

Dressing Skills

We do ask that you encourage your child's independence in putting on winter gear and backpacks. We are encouraging it and taking a few extra minutes in our day so that the students can become successful in this area. They just beam with pride when they are able to independently get coats, gloves, hats, and backpacks on.

Vision and Hearing Screening

We will be conducting vision and hearing screenings in February. This is a non-invasive test performed by a licensed nurse per the Child Vision and Hearing Test Act. If you have any questions or concerns please feel free to reach out to your child's teacher.

Valentine's Day Party

We will be celebrating Valentine's Day with a party on Thursday, February 12. I am asking that all children bring Valentines for each one of their preschool friends. Valentines will not be individually addressed to certain students. We have 13 students in the class, so please make sure you send enough Valentines for everyone.

2026-2027 Preschool Registration

Registration for the 2026-2027 school year will begin on Monday, February 2. All current preschool students will be given the first opportunity to register for the next school year. This is for current students only, to secure a spot for the next school year, not siblings. Look for the registration form and information to be sent home on January 29 & January 30. Registration will open to all St. Anthony parish and school families on Tuesday, February 17. This would be the time for you to register any younger siblings entering the program. General public registration will begin on Monday, March 2. We will also be hosting an open house for new families interested in our program on Wednesday, February 4, from 4:30-7:00 p.m. If you have friends or family who might be interested in our program, please pass along these dates. If they would like to be added to our mailing list, please have them contact the grade school office at 217-347-0419.
