

March

3 yr.

It is hard to believe that we only have a little over two months of preschool left. It seems like just yesterday we were starting our learning adventure together. During the month of March, we will continue working on writing first names. If you get a chance, have your child show you what he/she has accomplished. Our theme for the month will be Spring. We will continue working on cutting, tracing, and developing our fine motor skills. Just a reminder that registration has begun for the 2026-2027 school year. If you know of anyone who may be interested in our program, please have them contact the grade school office at 217-347-0419.

Dress for the Weather

As temperatures begin to rise in March, we will try to visit the playground when time allows. Please be sure that your child wears a coat to school. Even on days when warmer temperatures are projected, it can still be cool in the shadow of the school building.

Things to work on:

- Color Recognition
- Shape Recognition
- Cutting Skills
- Coloring Skills
- Tracing Skills
- Writing First Name
