

April

3 yr.

With the end of March comes the anticipation of many things. We anticipate playing outside, longer days, and summer fun. While we are looking forward, we will also work very hard to fine-tune our skills here at school. We will continue writing first names. We will continue sharpening our cutting and coloring skills as well. Practice with identifying numbers and counting groups will continue throughout the month. We are working on building good listening skills and developing independence. Our theme for this month is Spring. I hope all of you and your children have an opportunity to enjoy the nice weather that I am sure will eventually be here to stay.

Dress for the Weather

As temperatures begin to rise in April, we will try to visit the playground when time allows. Please be sure that your child wears a coat to school. Even on days when warmer temperatures are projected it can still be cool in the shadow of the school building.

Things to work on:

Writing First Name
Cutting Skills
Identifying Numbers
Counting Objects

What we are learning:

Number: Review
Color: Yellow
Shape: Diamond
Theme: Spring

Looking Ahead

The last day of preschool is scheduled for Tuesday, May 5th. We will have a Fun day here at school.
