A big Spring welcome to all of our students and families! Hopefully, some warmer temperatures are here to stay, and you all have a wonderful Easter with your family. In April, we will continue to work on writing first names, identifying numbers 0-10, and identifying shapes. We will focus on cutting skills, coloring, and following directions. We will practice identifying numbers and counting groups throughout the month as well. We are working on building good listening skills and developing independence. Our theme for the month will be Easter. Please continue to reinforce name writing and number recognition at home. Counting and cutting are also good skills to practice in your free time. I hope all of you and your children get an opportunity to enjoy the Spring weather together.

## A Look Ahead...

The last day of preschool is scheduled for Tuesday, May 5th. We will have a fun last day here at school. If the weather cooperates we may be outside for some of our activities. We will provide a fun treat for our last school day together! Students will receive their report card, memory book, and an end of the year gift that day from us. It is hard to believe our school year is soon coming to an end. It has been such a joy to watch your children learn and grow this year!
